

Get Off the Fence about Your Future

For those doctor's who aren't sure if they want to start or buy a practice, but know they can't sit and wonder "what if" anymore.

Stop using Facebook groups and message forums that give you one sided opinions and advice. The goal for this event is to invite you to get the facts on how to determine what option is best for you from industry leading experts that are connected to your local market challenges as well as opportunities.

You'll learn:

- How to determine best location to open your practice
- What's the right space for your goals for being a practice owner
- How to buy a building as a first time owner
- How much money is the right amount to borrow
- What you can do immediately to put yourself in the best negotiation position possible
- Is it better to start a practice or buy a practice?
- How to leverage the Seller's mindset during the negotiation
- Understand the timing and steps to the entire process for buying and starting up
- Where every doctor makes a mistake during the ownership process and what to do about it
